FREJA RELEASE NOTES

These Release Notes describe all the changes made to Freja systems from the previous release. They include:

- Updates to the Freja mobile application from version 11.0 to 11.1.0 on both Android and iOS.

Summary

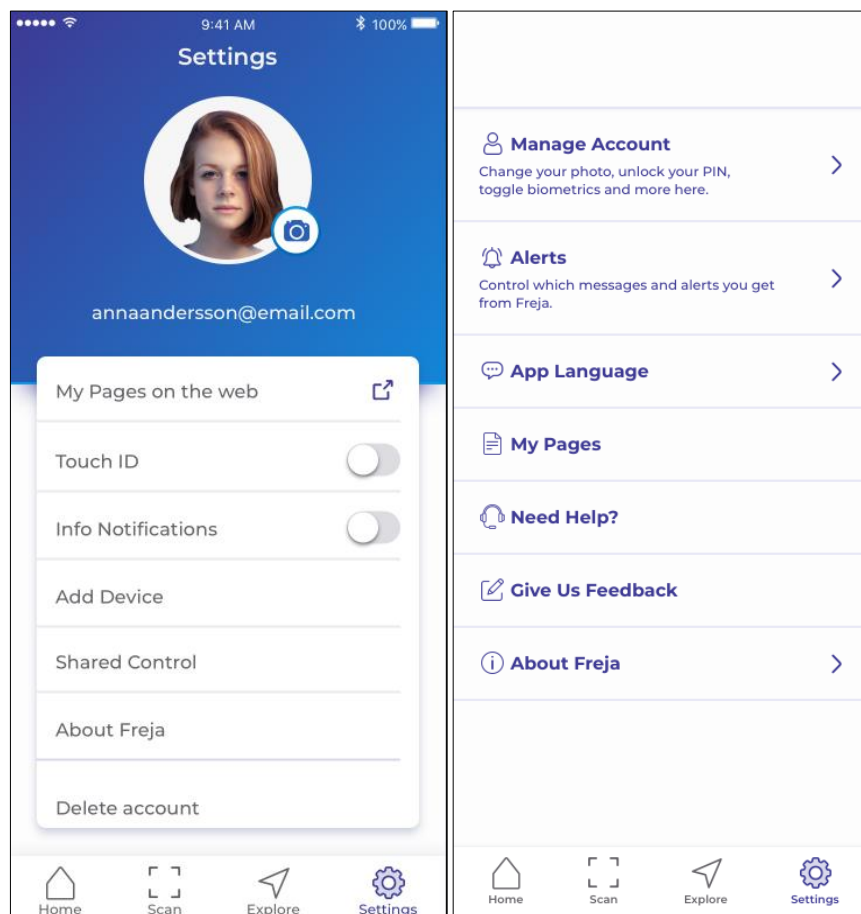

- SETTINGS UPDATED AND REFRESHED

We have updated and refreshed the look of Settings in the Freja mobile application. Items have been organised into logical wholes improving user experience.

Settings in Freja Visual and UI Improvements

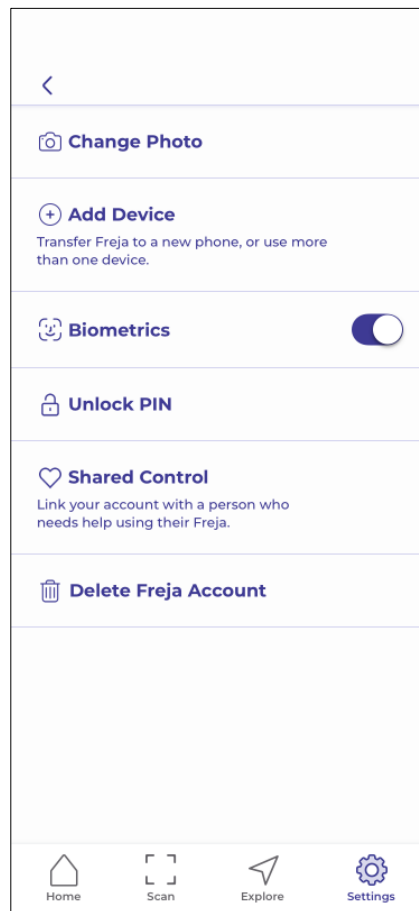

We have overhauled the entire look and feel of the Settings in Freja for a better user experience. Additionally, the design has been updated to be consistent with the rest of the application.

Items in Settings now have their proper place according to function and are grouped appropriately.

A before and after of the Settings home page

The new design also allows for subpages of related functions in Freja to exist that did not before.

The new 'Manage Account' subpage in Settings

The 'Acknowledgements' and 'About' pages have also been visually updated to be consistent with the rest of the application.
