FREJA RELEASE NOTES

These Release Notes describe all the changes made to Freja systems from the previous release. They include:

- Updates to the Freja mobile application from version 11.15 to 11.16 on both Android and iOS.

Summary

- SUPPORT FOR MORE COUNTRIES IN FREJA

Foreign citizens from 167 countries and territories may now add their biometric passport during registration in Freja.

Support for more Countries in Freja

People from 167 countries and territories across the world can now add their biometric passport to Freja during registration, granting them a higher level of security in Freja.

Check the [full list of supported countries](#).

Please note that certain countries/territories are not live as of August 2024, but will become available during autumn 2024.
