Summary

- AI ASSISTANT IN FREJA

We have added an AI assistant to the Freja mobile application.

AI assistant in Freja

There is now an AI chatbot assistant in the Freja mobile application. It is accessible from the 'Actions' section on the Freja home screen under 'Need Help?'.

The AI assistant can answer all questions regarding using Freja, registering an account, verification issues etc. It will not respond to questions unrelated to Freja and will insist that the user ask questions about Freja explicitly.
